

Networking Opportunities

1. Chat
2. Community board
3. Contact information
4. Review attendee list and find people with whom you want to talk
5. Real time messaging during live sessions
6. Email/text about pre-recorded sessions
7. List of questions of presenters for live Q&A
8. Virtual coffee cart
9. Vendor live sessions
10. School alumni roundtables
11. Vendors: have material, videos ready in advance to share in texts/chats/emails; create list of attendees to whom materials can be sent; post videos etc to your website in advance and share urls rather than saying "Go to our website"
12. Add live events to your calendar so you are prompted and can decide at the time whether you can attend. If you can't attend, send questions to [moderator?]
13. "Shop crawl": live tours of maker/restorer shops
